Innovation Challenge

For Students

Last Date: 15th January, 2020

*Best Themes will receive appreciation certificates
& Surprising Opportunities*

Instructions

We want YOU to create a fresh new look by upcycling existing papers, plastics, bottles , clothes, e-waste and any items in your own signature style!

A team of 3 can form a group or can submit entries individually

The entry should have a Pitch deck highlighting the objective, product, pictures in each stage of making, cost of manufacturing, team members & cost needed to set up a start-up
