

## FEEDBACK ON CURRICULAR ASPECTS (2019-2020)

### Alumni feedback

The feedback on Curricular aspects for the academic year 2019-2020 was collected from the alumni and were analysed by using a five-point scale.

**Note-This is measured on a 3point scale**

\*The alumni observed that the Programme outcomes are very much explicit and they are also highly oriented in this aspect.

\* They are made aware of the applicability of the course to real life situation. The teaching quality of the institution is highly rated.

\*Curriculum is at par with the relevance to latest technologies.

\*They are highly satisfied with the course content in its employability aspect. The curriculum provided in the college nurtures entrepreneurial skills.

**Action taken: The feedback was analysed by the IQAC and presented before the College council for suggestions. The Alumni observed that courses should be more relevant to the present era. The college council and IQAC urged the governing body to submit applications for implementing New Generation courses.**
