#### Activity 1 Urjakiran

Description: This program, in general, focuses on enhancing environmental awareness and fostering critical thinking and problem- solving approaches among participants, by helping them to become actively involved in the exploration of their immediate environment through understanding certain concepts and undertaking some selected activities' related to Energy conservation and energy efficiency. The intention is to encourage an approach which takes some of these basic ideas and adapts them to suit local needs.

Brochure

Dear Sir/Madam

Urjakiran, focuses on enhancing environmental awareness and fostering critical thinking and problem- solving approaches among participants, by helping them to become actively involved in the exploration of their immediate environment through understanding certain concepts and undertaking some selected activities related to Energy conservation and energy efficiency. The awareness program of URJA KIRAN 2019-20 indented to give wide publicity to the focal theme and activities of EMC by conducting awareness programs in Government offices and Public Sector Undertakings and equip the employees in practicing energy conservation and management tips in the working places as well as in their homes.

The Department of Botany, St.Xavier's College for Women, Aluva is always committed to provide interdisciplinary knowledge and strong institutional frameworks to achieve environmental and social goals. In its attempt to disseminate knowledge to masses the department is organizing one Day awareness session on energy conservation tips at different Govt offices.

Date:17/02/2020 and 25/02/2020

Time: 11.30am-3pm

All are cordially invited

**8.Outcome of the events:** The students and public got an overall idea about energy conservation and its relevance. It was reflected in the electricity bills of the participants

**Activity 2.Green audit**

St.Xaviers college for Women, Aluva

Re-accredited by NAAC with A Grade

## GREEN AUDIT 2019-20

AN INITIATIVE OF DEPARTMENT OF BOTANY UNDER THE AUSPICES OF IQAC

Compiled by : Dr. Nisha P  
Supported by : Students and staff, Department of Botany

**Outcome:** The green audit of the college was conducted with the help of the members of biodiversity club. The students and staff of the college were aware of different aspects of audit. A green protocol was formulated based on the findings of the audit and it is decided to implement the protocol.
