| 9. Objective of the Program | : The theatre club runs with the prime focus of fine tuning the dramatic and theatrical verve of the students of St. Xavier's College. Myriad programs are organized every year for the students to showcase their innate talents in acting. Those who are interested yet new to the genre are given chances to develop and chisel their histrionic aptitude. |

10. Detailed description of the event :

This year, the theatre club organized a Chain Acting Challenge in which the students of the club participated with vitality. The topic of the chain acting was “കൊറോണാ മരണമരണം” which was conducted on August 31, 2020 to depict Onam in the context of COVID 19. The participants portrayed the revival of spirit that onam brought in among Keralites, though ravaged by the onslaught of Corona.

The club also organised a Monoact competition named “ACT Out-ഇനമെന്ത കേരളം” for the Xaverian students. The time span give ranged from Nov 12-16, 2020. This helped the student members to exhibit their talent of acting on a contemporary topic. The club activities proved a relief for the students to overcome the boredom during the lockdown period.

11. Outcome of the event/Evaluation by Program Coordinator:

The programmes organised under the auspices of Drama Club was productive and constructive as they gave the students to fine tune their acting skills. The inherent talents of the students could be dug out and the events also helped the beginners to try out the basics of acting. The students, after the events, emerged novices not only in acting but also in script writing of their small pieces of dramatic renderings.
