

**ST. XAVIER'S COLLEGE FOR WOMEN, ALUVA**  
REACCREDITED BY NAAC WITH A GRADE (CGPA 3.33)

**ANTI-NARCOTICS CELL  
ANNUAL REPORT  
2018-2019**

## **Awareness class on anti –narcotics**

Co-ordinators- Dr.Vandana Aravindan and Dr.Raji Mohan

### **INTRODUCTION**

The anti-drugs cell of the college has been constituted to ensure a drug- free campus by imposing a total ban on the possession or consumption or use of drugs and alcohol by students of the college, within or outside the campus/hostels.

The duties of the anti-drugs cell include organizing awareness programs in the college and hostels with the help of government authorized agencies/ organizations. Educating the students about the ill-effects of drugs and alcohol, encouraging peer policing among students against the use of drugs and reporting of any noticed use of drugs by the students to the students' affairs committee are the duties of the anti-drugs cell. An effective vigilant committee has been constituted in order to execute the functions of the cell and also to impart an awareness campaign against use of drugs in the campus. Students took oath on June 26<sup>th</sup> thus declaring the campus as drug free campus.

A class on anti-narcotics were given to all students on International Day against Drugs Abuse and Illicit Trafficking -26<sup>th</sup> June 2018.The cell started its functioning in the college also on this day.

### **OBJECTIVE**

To ensure a drug- free campus by imposing a total ban on the possession or consumption or use of drugs and alcohol by students of the college, within or outside the campus/hostels.

### **REPORT**

The extensive use of narcotics within and outside educational institutions has become a serious concern nowadays. Drug dealers target students both as carriers as well as clients. It's high time for teachers and parents to work against and eradicate this evil force. The highly energetic youth can be guided by educating and at the same time by warning against the adverse effect of narcotics. With this noble intention, we formed anti- narcotics cell in our college. We keep close contact with the excise and police departments and

arranged a program to make the students aware of the strong legal force working against narcotics and inculcate respect towards parents, teachers and the Indian judiciary. The Anti narcotics cell organized an Anti Narcotics Awareness Campaign on 26<sup>th</sup> June, 2018, International day against drug abuse.

#### **RESOURCE PERSON**

The awareness session was handled by Shri Job V.T., State Coordinator of 'Vimukthi', State level Scheme for anti drug awareness campaign.

The campus was declared as a narcotics free campus. A committee consisting of 9 students was also formed to keep vigil against the use of narcotics substances in college.

#### **PHOTOS**

#### **OUTCOME**

Students became aware of different abusive substances and different cases and situations which they can fall prey to. This would make them effectively deal with situations in life. An oath was also taken by the whole campus to ensure that college remains drug free.

#### **PARTICIPANTS**

All final students of college were asked to attend the class about 400 students participated in the event.

#### **RELEVANCE**

It is very relevant among youth as they are easy prey for substance abuse. Irrespective of gender students fall prey for abuse and substance intake. Since the society as a whole is concerned with drugs and other substances its time that we give proper awareness among our students too.

#### **PROGRESS SCORE OF INSTITUTION**

Anti -narcotics cell has been formed in the campus for the first time and a class involving all students also is first time. Thus it would certainly bring up the institution score.

#### **FEEDBACK**

The class was conducted without any money and no money is received or spend for the cell for the year 2018-2019.

#### **BROCHURE AND SCHEDULE**

##### **PROGRAMME SCHEDULE**

Time 10.00 A.M

#### **COMMUNITY BENEFIT**

It's said that when we educate a woman, we educate a family and so the community benefit would definitely be for a long time to come. These kinds of awareness classes can save students from many dangers of the world.
