

## Action Taken Based on Feedback Analysis 2021-22

- College ambiance was markedly improved with welcoming reception, repainting of college, vertical gardens and open theatre
- New computer lab is set up as suggested by the students.
- Specimen collections in the labs were also updated with new accessions.
- Timely maintenance of the hostel was done.
- Club activities and cell activities were improvised to ensure mental and spiritual health
- Association activities in each department were ushered in the post-pandemic period
- Wi-Fi facility was improved with increased internet speed.
