ANNUAL REPORT

2018-2019

INTRODUCTION NOTE OF PRINCIPAL

The last academic year has been a fruitful one focusing on every aspect of curricular and co-curricular activities, promoting the holistic development of students. I bow my head before the abundant grace that has been showered upon us through the intercession of our patron St. Francis Xavier and Foundress 'Servant of God' Mother Eliswa. At the outset let me acknowledge the committed and sincere efforts of the management, the teaching and the non-teaching staff, students, PTA and our well-wishers, excelling in every field of academics.

ADHERING TO ACADEMIC SCHEDULE

Aligned to the Mahatma Gandhi University Calendar schedule, an academic calendar:

- Prepared and published at the beginning of every academic year
- The teacher in charge prepares the academic calendar in consultation with the Principal, Vice Principal, HoDs and IQAC members incorporating the relevant information regarding the working days, holidays, dates of internal examinations, semester examination, departmental action plan on various events to be organized, etc which is distributed to students and teachers in time
- The internal exam coordinator monitors the smooth conduct and completion of internal exams on time
- The model exams conducted also help to evaluate the curriculum delivery
- In addition, assignments, seminars, projects, internships are done by the students as per the academic calendar

- Publication of the marks before uploading on the university portal makes the process error free
- The time bound completion of add on courses, value added courses, and distribution of certificates after timely exams cater to continuous evaluation
- Internal Academic Audit conducted by IQAC ensures adherence to a well-charted system.

INNOVATIONS IN TEACHING & LEARNING

The institution has created a student-centered learning environment to stimulate deep approaches to learning and also fosters remote learning with student-centered tools.

- Experiential Learning engages students in hands-on experiences and is able to connect theories and knowledge learned in the classroom to real-world situations.
- Participatory methods expect a high degree of activity and help to showcase literary, innovative and entrepreneurial skills of the students.
- Problem solving method boosts reflective thinking.
- Peer teaching is an educational strategy, in which students are divided into advanced, medium and slow learners, that embraces active learning.
- Flipped classroom offers an opportunity for student self-pacing and provides class time for a deep understanding of content.
- Internship and training are provided to understand the theories and practices of the discipline by actively engaging in a hands-on, work-based, learning experience.

CONCLUSION

Our college recognizes that its vision and mission can be accomplished through the combined efforts of the students and staff. Hebrews 4:16 says "Let us then with confidence draw near to the throne of grace, that we may receive mercy and find grace to help in time of need". Therefore, with confidence I pray that God helps us excel in all our future endeavors. I remember all the guidance and motivation of our General Manager Very Rev. Mother Soosamma, Provincial Rev. Sr. Charles CTC and Local Manager Rev.Sr. Clodit CTC with a heart full of gratitude. Entrusting ourselves in the safe hands of God Almighty, relying on the immense support of our stakeholders I look forward to.
