ANNUAL REPORT

2021-2022

INTRODUCTORY NOTE OF PRINCIPAL

Honourable Chief Guest Sri. V. D. Satheesan, the Opposition Leader of Kerala Legislative Assembly, Sri. Anwar Sadath MLA, Sri. M.O. John, the Chairman, Aluva Municipality, Rev. Sr. Charles, the Local Manager, Former Principals, retired teachers, parents, faculty members, students and well-wishers,

The last academic year has been a fruitful one focusing on every aspect of curricular and co-curricular activities, promoting the holistic development of students. I bow my head to God Almighty for the abundant grace that has been showered upon us through the intercession of our patron St. Francis Xavier and Foundress 'Servant of God' Mother Eliswa. At the outset let me acknowledge the committed and sincere efforts of the management, the teaching and the non-teaching staff, students, PTA and our well wishers, excelling in every field of academics.

ADHERING TO ACADEMIC SCHEDULE

Aligned to the Mahatma Gandhi University Calendar schedule, an academic calendar:

- Prepared and published at the beginning of every academic year
- The teacher in charge prepares the academic calendar in consultation with the Principal, Vice Principal, Heads of Departments and IQAC members incorporating the relevant information regarding the working days, holidays, dates of internal examinations, semester examination, departmental action plan on various events to be organized, etc. which is distributed to students and teachers in time
- The internal exam coordinator monitors the smooth conduct and completion of internal exams on time
- The model exams conducted also help to evaluate the curriculum delivery
- In addition, assignments, seminars, projects, internships are done by the students as per the academic calendar
- Publication of the marks before uploading on the university portal makes the process error free
- The time bound completion of add on courses, value added courses, and distribution of certificates after timely exams cater to continuous evaluation
- Internal Academic Audit conducted by IQAC ensures adherence to well-charted system
- PO, PSO, CO attainment values are prepared, analysed, integrated, and documented on College website

- The feedback collected is scrutinized, statistically analysed and corrective measures implemented to help institutionalise proper and accurate mechanism for continuous evaluation.

INNOVATIONS IN TEACHING & LEARNING

The institution has created a student-centred learning environment to stimulate deep approaches to learning and also fosters remote learning with student-centred tools.

- Experiential Learning engages students in hands-on experiences and able to connect theories and knowledge learned in the classroom to real-world situations.
- Participatory methods expect a high degree of activity and help to showcase literary, innovative and entrepreneurial skills of the students.
- Problem solving method boosts reflective thinking.
- Peer teaching is an educational strategy, in which students are divided into advanced, medium and slow learners, that embraces active learning.
- Flipped classroom offers an opportunity for student self-pacing and provides class time for a deep understanding of content.
- Quiz programmes cater to the inquisitive minds of the students. Online Quiz platforms like Quizziz and Kahoot are extensively used.
- Under the 'Coursera Campus @ SXC, "Each One Learn One Online Course" initiative, 360 learners have completed at least one course from Coursera.
- Creation of educational content and awareness videos exhibit technological competence and media literacy skills of the students.
- Internship and training are provided to understand the theories and practices of the discipline by actively engaging in a hands-on, work-based, learning experience.

FEEDBACK

The institution believes in perennial advancement and seeks to improve its functioning by positively responding to the Feedback received. To ensure the reach of the institutional policies to the stakeholders, three-tier Feedback mechanism is functional in the college.

- Feedback on Curriculum- From Students, Teachers, Employers and Alumni
- Students' Feedback- About Teacher, Department and Institution
- Student Satisfaction Survey

The feedback is collected, analysed and corrective measures are taken under the auspices of IQAC.

CONCLUSION

Our college recognizes that its vision and mission can be accomplished through the combined efforts of the students and staff. Hebrews 4:16 says "Let us then with confidence draw near to the throne of grace, that we may receive mercy and find grace to help in time of need". Therefore, with confidence I pray that God help us excel in all our future endeavors. I remember all the guidance and motivation of our General Manager Very Rev. Mother Soosamma, Provincial Rev. Sr. Sislet CTC and Local Manager Rev. Sr. Charles CTC with a heart full of gratitude. Entrusting ourselves in the safe hands of God Almighty, relying on the immense support of our stakeholders I look forward.
