6. **Objective of the Program/events** :

- (i) Create awareness and equip them for efficient management of all forms of energy
- (ii) Promote the use of non-conventional energy sources
- (iii) Develop new sources of energy as well as novel energy technologies with a view to use the energy on a sustainable basis.
- (iv) Conducting awareness programmes to the public.

7. Description of the event

Activity 1: Oath Taking and Rally on National Energy Conservation Day.

On December 14th 2017, a rally is conducted to Gandhi square to spread the message of energy conservation to the public. Members took oath also stating that they would conserve energy by all means and spread the message to the public.

Activity 2 : Poster designing contest

Poster designing contest was conducted on 19/02/2018 for the students on the theme Energy Conservation. 11 students participated.

- 8. Outcome of the events:** The club could create awareness among the students and general public and equip them for efficient management of all forms of energy and thereby achieve conservation of energy.
