## **OVERVIEW OF RESEARCH PROMOTION COUNCIL**

Research has been given a strong thrust along with teaching-learning. Research Promotion Council was constituted in 2013 to promote and coordinate research activities. College has received grants under various schemes from funding agencies like UGC, DST, KSCSTE, KSHEC. Physics department of the college is supported by DST-FIST scheme since 2014 and the science departments are supported under DBT-STAR College scheme 2016-17. An increasing number of students are engaged in significant and often publishable research at the undergraduate and post graduate level with the funding support from government agencies like KSCSTE (Kerala State Council for Science Technology and Environment). The Research Promotion Council provides information about funding sources and co-ordinates the research activities in the College.

### **RESEARCH POLICY OF THE COLLEGE**

Contribute to research environment of the college

- by strengthening research infrastructure
- through interactions with experts
- engaging in research projects
- publishing the findings in high impact journals
- and through paper presentation sessions

## ROLL OF RESEARCH PROMOTION COUNCIL

1. To create **passion** among the students and faculty of the college for **research and innovation**
2. A forum for students and faculty members to present their academic findings.
3. Encourage students to take up funded projects and participate in **Citizen Science projects**
4. Have **periodic interactions with experts** in various fields
5. Organize paper presentation sessions by faculty and students of the College. RPC also publishes the proceedings of these sessions as '**Book of Abstracts**'
6. Disseminate information about **research project grants**
7. The Council also publishes a peer reviewed biannual interdisciplinary journal- **Discourse**. It aims to spread information in the field of science and humanities to the members of the academic community

Research Promotion Council
4. **Date & Duration** : 18.06.2021
5. **Number of participants** : 36
6. **Resource Person** : Ms. Ajomy Maria Joseph  
Assistant Professor in English  
Newman College, Thodupuzha
7. **Objective of the Programme:**
  1. To give practical tips about the selection, methods of research and writing of project work in English.
  2. To help the students gain insights about the methods of research in English literature.
  3. To help students complete their research projects under MLA 8<sup>th</sup> edition with ease.
8. **Detailed description of the event:**

The Research Methodology Workshop was intended to make the undergraduate and post-graduate students aware of the various steps for conducting effective research in literature. The talk touched upon the selection of broad research area, the choice and nature of topic, interdisciplinary approach etc. to help the students. It elaborated the research methods to be used in literature, documenting primary and secondary sources as per the latest style sheet of MLA.
9. **Outcome of the event/Evaluation by Program Coordinator**

The participants were made aware of the importance of selecting their research topic widely with novelty and innovation. It gave them confidence to move away from the traditional approaches in literature to more innovative, interdisciplinary approaches that facilitates meaningful contribution to the academia. The awareness about the latest MLA Style Sheet was a great help for easy documentation of research projects as part of their programme.

course and learn how to apply the content in particular contexts.
10. **Detailed description of the event:** The P.G. and research students attended the webinar  
on the chosen topic, The resource person highlighted the importance of hypothesis in  
research. He told students that the research activities are planned to verify the hypothesis  
and not to find out the solution of the problem or to seek an answer to a question. It is very  
essential to a research worker to understand the meaning and nature of hypothesis. The  
researcher should always plan or formulate a hypothesis before he/she starts his/her  
research.
11. **Outcome of the event/Evaluation by Program Coordinator:** The students could better  
understand about the formulation of hypothesis and to learn testing methods.
