INTRODUCTION

The college union is an elected body of students of the college for the promotion of the practice of democracy and leadership. The college union activities offer students an opportunity to grow in cooperation with others in areas of personal and academic interest and in areas of service to fellow human beings. The college union consists of chairperson, vice chairperson, general secretary, arts club secretary, magazine editor, two university union councilors, three representatives for UG and two for PG. An ever rolling trophy is handed to the department each year. The term of the union is generally one year from the date from which the union assumes office or till the date of elections to the union in the subsequent year.
