This year our college formed a group 90 young talents of all streams under this banner. This programme has external as well as internal mentoring, helping the students to fulfill their dreams.

STUDENT SUPPORT PROGRAMME (SSP)

Scholar Support Programme (SSP) is one of the New Initiatives of Higher Education which has been implemented in aided colleges during the academic year 2014-15. It aims at imparting personalized additional support to needy students through tutorials, study materials, additional lectures, question banks and interactive sessions. Applications are invited from the students and students with least marks in the qualifying examination are selected. Classes are disseminated by the faculty of the college. The programme has a college level coordinator and is monitored by the college council. 50 students of the college are selected each year for 5 identified subjects with 5 internal faculty members as resource persons.

TUTORIAL

Each student is assigned to a tutor, when she is expected to consult on all matters pertaining to studies. The tutor will have frequent contacts with his wards during and outside college hours and will report any remissness in progress and conduct of his wards immediately it is noticed.
