# ANNUAL REPORT

## **INTRODUCTORY NOTE OF PRINCIPAL**

Fixed on the vision and mission, the college activities of the year 2020-2021 were brim-full with events of high academic and social import. With a strong anchorage in the social and environmental commitment, varied events helped students to think and act meditatively on cross-cutting issues. The distinctiveness of the institution is upheld in all the endeavours moulding students to emerge as empowered women with integral maturation.

The year witnessed a great paradigm shift due to the COVID19 pandemic. Education switched completely to the virtual mode - not just academic but non-academic activities too. However, despite the pandemic, it has been a fruitful year focusing on different aspects of curricular and co-curricular activities.

We bow before the abundant grace that has been showered upon us through the intercession of our patron St. Francis Xavier and Foundress 'Servant of God' Mother Eliswa. The committed and sincere efforts of the management, the teaching staff, the administrative staff, students, PTA and our well-wishers are worthy acknowledged to lead the institution excel in every field of academics.
