Call for Proposal from Student Innovators

Financial assistance for innovative
technology projects (Funded by PTA)

Submit on or before February 26, 3PM

Guidelines

- Application with a clear purpose, objective, innovation, market potential, feasibility, impact, budget, Timeline and technical merit.
- Innovative Technology Focus: Limit eligibility to truly creative projects with the potential to make a significant technological impact. Define what qualifies as & innovative technology in the project context.
- The program will support projects in prototype development.
- Clarify the IP ownership and rights of the technology developed. This is crucial for protecting the interests of the project and the institution providing funding.
- She should be a student of St. Xavier's College for Women, Aluva.
- Presentation and interview for the final selection
