1. **Title of the program** : Seminar on “Navigating the Digital Frontier: Exploring Ethical Dimensions in Technological Research Methodology”
2. **Name of the Coordinator/s** :Dr. Vandana Aravindan
3. **Organizing Department/Cell/Club** : Department of Economics
4. **Level- Dept/ College/ Intercollegiate/State / National/ International** : College
5. **Date & Duration** : 21st August 2023, 10.00 am
6. **Number of participants** : Students:External-0 Internal- 120
Faculty : External-0 Internal- 3
7. **Funding source if any** :Nil
8. **Expenses if any** : Nil
9. **Resource Person/s** : Dr. Renu Susan Samuel
Assistant Professor
St. Peter’s College
10. **Objective of the Program** :
 - Foster a deeper understanding of ethical considerations in technological research.
 - Engage students and faculty in discussions about the intersection of economics, technology, and ethics.
11. **Detailed description of the event** : The activities of the Economics Association for the year 2023-24 were inaugurated on 21st August 2023 by Dr. Renu Susan Samuel, Assistant Professor, IIC President & IEDC Asst Nodal Officer, St. Peter’s College, Kolenchery. She delivered a talk on “Navigating the Digital Frontier: Exploring Ethical Dimensions in Technological Research Methodology”. Dr. Renu officially inaugurated the Economics Association's activities for the year by lighting the ceremonial lamp. She expressed her enthusiasm for the upcoming events planned by the association and the role such initiatives play in broadening students' academic and ethical perspectives. In her talk, the resource person spoke about the importance of maintaining integrity, transparency, and accountability in research and strategies for incorporating ethical considerations into research design and implementation.

ST.XAVIER'S COLLEGE FOR WOMEN, ALUVA

The first college in India to be re accredited by NAAC in the Fifth Cycle &
The first college to score A++ in the Fifth Cycle ISO 9001:2015 Certified

Affiliated to Mahatma Gandhi University, Kottayam

DIAMOND JUBILEE YEAR

1. **Title of the program** : Expert talk
2. **Topic** :National Webinar on "Innovation and IPR - A Strategic Perspective"
3. **Name of the Coordinator/s** :Dr.Sr. Sindhu P.J
3. **Organizing Department/Cell** : Economics
4. **Date & Duration** :17/07/2023,One day

5. **Number of participants** : Faculty:27 Students: 86 Total: 113
6. **Funding source** : Nil
7. **Expenses** : Nil
8. **Resource Person** : Dr.T. Pavan Kumar
Senior Scientist, Innovative Technology Enabling Centre
CSIR-Institute of Minerals and Materials Technology
Ministry of Science and Technology, GoI
Bhubaneswar-751013

9. **Objective of the Program** :The Webinar aimed at promoting understanding, awareness, and strategic thinking in the fields of innovation and intellectual property rights (IPR). Overall, the objectives of the webinar was to providestudents with a holistic view of how innovation and IPR are interrelated and how a strategic approach to IPR management can lead to tangible benefits for individuals, businesses, and the nation as a whole.

10. Detailed description of the event: A National Webinar on "Innovation and IPR: A Strategic View" was likely to focus on the intersection of innovation and intellectual property rights (IPR) within a national context. Intellectual property rights are legal protections granted to creators and inventors for their original works, inventions, and designs. Innovation, on the other hand, refers to the process of creating and implementing new. As part of the National Intellectual Property Festival which is declared by GoI in the month of July in connection with Azadi Ka Amrit Mahotsav, the department of Economics of St.Xavier's College for Women, Aluva, Kerala organized a National Webinar on "Innovation and IPR - A Strategic Perspective" in association with CSIR-IMMT, Bhubaneswar. Odisha on 17th July 2023.

11. Outcome of the event/Evaluation by Program Coordinator:

The outcomes ideally encompassed a range of tangible and intangible results that contribute to enhanced understanding, informed decision-making, and positive actions related to innovation and intellectual property rights (IPR). Ultimately, the outcomes of the webinar resulted in enhanced understanding, strategic thinking, and collaborative efforts that contribute to the promotion of innovation, protection of intellectual property, and overall socio-economic advancement

7. **Funding source if any** : NIL
8. **Expenses if any** : NIL
9. **Resource Person/s** : Dr Vimala George HOD,
Dept.of Physics, St. Xavier's
College for Women, Aluva
10. **Objective of the Program** : The primary objective of the visit was to familiarize the PG students with the state-of-the-art facilities at CUSAT, enhance their understanding of a professional research environment, and motivate them by showcasing the opportunities available for advanced scientific studies and research.
11. **Detailed description of the event** : On February 27, 2024, the second-year postgraduate (PG) students of St. Xavier's College for Women, Aluva, visited the Cochin University of Science and Technology (CUSAT) to understand the physical environment and facilities available for scientific research and learning. This visit was aimed at providing the students with a comprehensive insight into the advanced infrastructure and academic resources at CUSAT, fostering their academic growth and inspiring future scientific endeavors. The students had the opportunity to interact with faculty members and researchers from various departments. These discussions focused on the research projects, academic programs, and the interdisciplinary approach to scientific studies at CUSAT. The visit to CUSAT was a significant step in bridging the gap between classroom learning and real-world scientific research, inspiring the students to pursue excellence in their academic and research careers.

12. Brochure of the event :

The brochure is a colorful flyer for a workshop. It features a green and orange color scheme. On the left, there is a text box with details about the workshop and a list of resource persons with their photos. On the right, there are several sections: a header with the college name and accreditation, a main title in a red box, logos for MGIRI and the International Centre for Gandhian Thoughts, information about the organizing institutions, the date and venue, and a list of the management team.

St. Xavier's College for Women, Aluva welcomes all of you to the one day awareness workshop.

Mahatma Gandhi Institute for Rural Industrialization (MGIRI) is conducting a one day awareness program on 'Possibilities of Entrepreneurship Development based on MGIRI Technologies' on August 10, 2023. The programme is conducted in association with International Institute for Gandhian Thoughts, Thiruvananthapuram, Department of Malayalam, ICC (Institutional Innovation Council) and UBACell of St. Xavier's College for Women, Aluva.

MGIRI is a National Autonomous Institute under the Ministry of Micro, Small and Medium Enterprises (MSME) located at Wardha, Maharashtra. MGIRI's aim is to support, upgrade and accelerate the process of rural industrialization in the country following Gandhian Vision of sustainable village economy, self-sufficient in employment and amenities. MGIRI does innovations, develop entrepreneurs, provides Skill & Entrepreneurship development training to SMEs in the country.

The beneficiaries of this programme will be young entrepreneurs, rural & un-employed youth, women and students.

ST.XAVIER'S COLLEGE FOR WOMEN, ALUVA

The first college in India to be re accredited by NAAC in the Fifth Cycle & The first college to score A++ in the Fifth Cycle ISO 9001:2015 Certified

Affiliated to Mahatma Gandhi University, Kottayam

DIAMOND JUBILEE YEAR

- 1 **Title of the program** Intellectual Property rights
- 2 **Name of the Coordinator/s** Shyamala M.P
- 3 **Name of student coordinators** Nil
- 4 **Organizing Department** Microbiology
- 5 **Date & Duration** 9-11- 2023 & 11am-12.00 pm
- 6 **Number of participants** 50
- 7 **Objective of the Program** Awareness to students on IPR as part of college innovation council.

8 Detailed description of the event

An awareness of Intellectual property rights was given to the students . IPR is the legal rights given to the inventor or creator to protect his invention or creation for a certain period of time. These legal rights confer an exclusive right to the inventor/creator or his assignee to fully utilize his invention/creation for a given period of time., The role of IPR in promoting healthy competition and encouraging industrial growth and economic growth was also highlighted. The talk began at 11.00am for MSc Microbiology students till 12.00 noon on 7th November.

- 9 **Outcome of the Event** Awareness about the importance of Intellectual property rights and to encourage students to create new innovations and to protect it against infringement by others.

DIAMOND JUBILEE YEAR

1. **Title of the program** :Session on Financial Literacy and Interview Skills and how a chartered accountant can leverage their skills to excel as an entrepreneur :Story of Mr.Roopesh Rajagopal
2. **Name of the Coordinator/s** :Dr.Raji Mohan
3. **Organizing Department/Cell** :Commerce (Regular)
4. **Date& Duration** :7thSeptember 2023
5. **Number of participants** :Students:Internal-100
Faculty:Internal- 9
6. **Funding source** :Department Fund
7. **Resource Person/s** : Mr. Roopesh Rajagopal, a Chartered Accountant and a member of the managing committee of the Ernakulam branch of the Institute of Chartered Accountants of India (ICAI).
8. **Objective of the Program** :The seminar aimed to equip students with essential knowledge and skills related to personal finance management, skills to excel as an entrepreneur and interview preparation. The keynote speaker for the event was Mr. Roopesh Rajagopal, a Chartered Accountant and a member of the managing committee of the Ernakulam branch of the Institute of Chartered Accountants of India (ICAI).
9. **Detailed description of the event:**
Financial Literacy Session: Mr. Roopesh Rajagopal commenced the seminar with an engaging session on financial literacy. He emphasized the importance of budgeting and explained various methods for creating and sticking to a budget. He discussed the significance of saving and investing early in life, highlighting the power of compounding and long-term wealth accumulation. Mr. Rajagopal also provided valuable insights into different investment options such as mutual funds, stocks, and fixed deposits, along with their associated risks and returns. Also explained how becoming a successful entrepreneur as a chartered accountant

(CA) requires a combination of technical expertise, business acumen, and strategic thinking

Interview Skills Session: Following the financial literacy session, Mr. Rajagopal shifted the focus to interview skills. He shared practical tips and strategies for preparing and succeeding in job interviews.

He emphasized the importance of thorough research about the company and the position applied for, as well as practicing common interview questions and responses. Mr. Rajagopal also provided guidance on body language, dress code, and professional etiquette during interviews, stressing the significance of making a positive first impression

DIAMOND JUBILEE YEAR

1. **Title of the program** : Mega Exhibition cum sale- Empowering student Entrepreneurs
2. **Name of the Coordinator/s** :Dr.Saumy Mary
3. **Organizing Department/Cell** :IIC & all Departments
4. **Date& Duration** :10thJanto12thJan2024,3days
5. **Number of participants** : Students : Internal- 55
Faculty :Internal-20

6. Detailed description of the event:

From January 11th to 13th, 2024, an Exhibition Cum Sale event was organized, providing a platform for student entrepreneurs to showcase and sell their products. The event aimed to foster creativity, innovation, and entrepreneurial spirit among students. A total of 55 students participated, contributing to a vibrant display of diverse products.

Participation and Setup:

The event saw enthusiastic participation from students across various disciplines. Each participant was allocated a space to set up their stall and exhibit their creations. The setup included stalls displaying handmade crafts, artworks, fashion accessories, food items and various other innovative products.

Sales and Profit:

Over the course of three days, the event witnessed a significant turnout of visitors, including fellow students, faculty, and staff. The sales were robust, with a total profit of ₹53,000 generated collectively by the participating students. This profit not only reflected the entrepreneurial spirit of the students but also the appeal and quality of their products.

Highlights: Diverse Range of Products: The exhibition showcased a diverse range of products, highlighting the creativity and talent of the student participants. From handcrafted items to culinary delights, there was something for everyone.

Engagement and Interaction: The event provided an opportunity for students to interact with potential customers, receive feedback, and understand market dynamics. This hands-on experience was invaluable for their entrepreneurial journey.

Learning Experience: Beyond the financial aspect, the exhibition cum sale served as a learning experience for the students involved. They gained insights into marketing, salesmanship, and customer relations, which are essential skills for future endeavors.

Community Support: The success of the event wouldn't have been possible without the support of the university community. The enthusiasm and patronage shown by fellow students, faculty, and staff contributed significantly to its success.

7. Outcome of the event/ Evaluation by Program Coordinator:

The Exhibition Cum Sale event held on January 11th - 13th, 2024, was a resounding success, showcasing the entrepreneurial prowess of student participants. It provided a platform for creativity, innovation, and collaboration while fostering a spirit of entrepreneurship among the student community. The event not only generated significant profit but also imparted valuable lessons and experiences that will benefit the students in their future endeavors. Such initiatives play a crucial role in nurturing the next generation of entrepreneurs and innovators

ST.XAVIER'S COLLEGE FOR WOMEN, ALUVA

The first college in India to be re accredited by NAAC in the Fifth Cycle &
The first college to score A++ in the Fifth Cycle ISO 9001:2015 Certified

Affiliated to Mahatma Gandhi University, Kottayam

DIAMOND JUBILEE YEAR

1. **Title of the program** :First International fintech conclave- Sessions on "Process of Innovation Development & Technology Readiness Level (TRL)" & "Commercialisation of Lab Technologies & Tech-Transfer" fostering fintech innovations & trends
2. **Name of the Coordinator/s** :Dr.Raji Mohan and Sr.Vandana
3. **Organizing Department/Cell/Club and SF)** :Department of Commerce(Aided and SF)
4. **Level-Dept/College/Intercollegiate/State / National/ International** :International
5. **Date& Duration** :20thFeb, oneday
6. **Number of participants** :Students:60 External-22 Internal- 100
Faculty:External-12 Internal-23
7. **Funding source if any** :ProlearnAcademy
8. **Expenses if any** :yes ,met by academy
9. **Resource Person/s** : **Ms.Shalini Warriar**, Executive director of Federal Bank ltd,
Mr.Sean Mullen, Senior Director, strategic Partnerships, Surgent.
Dr.Paul Mundadan, Ret. Banker and former chairman of FISAT,
Dr. M.C Dileep Kumar, Former Vice chancellor, Sree sankaracharya University,
Paul Simon, Financial analyst, USA,
C Aligil Lakshman, MDatLDS and CasCo.
Prof.Jiby Varghese, Executive director, UKFCET and mentor of ProlearnAcademy

10. Objective of the Program:

- **Sharing Knowledge:** Our goal is to facilitate the exchange of ideas, experiences and best practices among attendees, fostering a deeper understanding of fintech innovations and trends.
- **Building Networks:** We provide a platform for individuals to connect, network, and build meaningful relationships within the fintech community, with opportunities for potential collaborations and partnerships.
- **Educating and Raising Awareness:** Through insightful discussions and presentations, we seek to educate participants about the latest advancements in fintech and raise awareness about its impact on various industries and society as a whole.

- **Empowering Women:** We aim to empower women in fintech by highlighting their achievements, providing mentorship opportunities, and promoting gender diversity and inclusion within the industry.
- **Encouraging Innovation:** The conclave serves as a catalyst for innovation in fintech, showcasing cutting-edge technologies, startups, and emerging trends that have the potential to reshape the future of finance.
- **Policy Dialogue:** We facilitate discussions on regulatory frameworks and policy implications, addressing the ethical considerations and challenges associated with fintech adoption and development.
- **Engaging Academia:** Students and faculty members are encouraged to participate in workshops, hackathons, and discussions, fostering interest, skill development, and research in fintech-related topics.
- **Global Perspective:** By inviting international speakers and participants, we aim to provide a global perspective on fintech trends and developments, promoting cross-border collaboration and learning.
- Overall, the conclave endeavors to create a vibrant and inclusive environment that nurtures learning, collaboration, innovation, and empowerment in the ever-evolving field of fintech, with a special emphasis on the participation and advancement of women.

11. Detailed description of the event :

- **Keynote Speakers:** Renowned experts and thought leaders in the fintech industry delivering keynote addresses to set the tone for the event and provide insights into emerging trends, challenges, and opportunities.
- **Panel Discussions:** Interactive panel discussions featuring industry leaders, policymakers, regulators, and academics discussing various topics such as fintech innovation, regulation, cybersecurity, financial inclusion, and the future of finance.
- **Networking Opportunities:** Networking sessions, coffee breaks, and social events providing attendees with the chance to connect, network, and exchange ideas with peers, industry experts, investors, and potential collaborators.
- **Social Responsibility and Ethics:** Discussions on the ethical implications of fintech innovation, responsible use of technology, data privacy and cybersecurity, as well as initiatives to promote financial literacy and inclusion.

These are just some of the elements that might be included in the first International Fintech Conclave held on February 20, 2024.

ST.XAVIER'S COLLEGE FOR WOMEN, ALUVA

The first college in India to be re accredited by NAAC in the Fifth Cycle & The first college to score A++ in the Fifth Cycle ISO 9001:2015 Certified Affiliated to Mahatma Gandhi University, Kottayam

DIAMOND JUBILEE YEAR

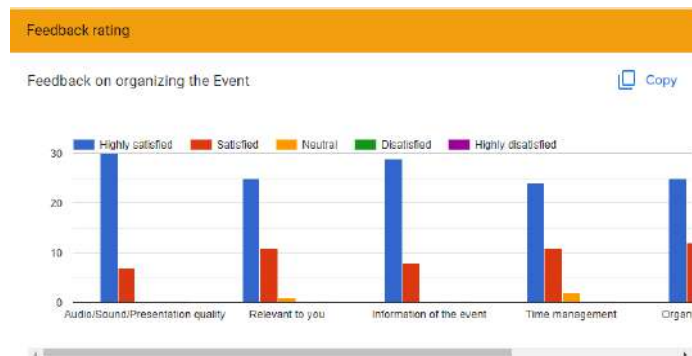

- 1. Title of the program : Exhibition Cum Sale of Creative products made by students
- 2. Name of the Coordinator/s : Bilu Job, Dr.Newly Joseph, Sr.S Maglin Alven, Dr.Linda Louis
- 3. Organizing Department/Cell :ED CLUB, IEDC, IIC
- 4. Date& Duration :22/09/2023,9hours
- 5. Number of participants :Students:External-0Internal-124
Faculty :External-0Internal-30
- 6. Funding source :self-funded

7. Objective of the Program : To promote creativity, innovation and entrepreneurial traits among students. Encouraging students to create and sell their own products cultivates an entrepreneurial mindset. The event helps them understand the concept of turning their creative skills into viable business ventures. This event provides them with a real-world learning experience. They learn about product development, pricing strategies, market demand, and customer preferences.

8. Detailed description of the event: As part of World Entrepreneurship Day, IIC, IEDC and ED Club of our college has organised an exhibition of the creative products made by the students. Each department of the college has put one stall at college foyer. Students could sell off their self made products

9. Feedback from stakeholders:

Interacting with customers and receiving feedback on their products helped students to understand market preferences and areas for improvement in their creations. The Exhibition Cum Sale of Creative Products made by Students has a multi-faceted set of objectives that range from nurturing artistic talents to fostering entrepreneurship and skill development. This event created a platform for students to showcase their creative endeavors, gain valuable experiences, and contribute to the overall growth of the educational institution.

ST.XAVIER'S COLLEGE FOR WOMEN, ALUVA

The first college in India to be re accredited by NAAC in the Fifth Cycle &
The first college to score A++ in the Fifth Cycle ISO 9001:2015 Certified
Affiliated to Mahatma Gandhi University, Kottayam

DIAMOND JUBILEE YEAR

- Title of the program** :Session on Problem Solving and Ideation
- Name of the Coordinator/s** :Dr.Newly Joseph
- Organizing Department/Cell** :IIC & Dept.ofChemistry
- Date& Duration** :22ndNovember2023,1-3.30pm
- Number of participants** :Students:Internal-43
Faculty :Internal-1
- Funding source** :Nil
- Expenses** :Nil
- Resource Person/s** :Dr.NewlyJoseph
- Objective of the Program** : The aim was to cultivate a problem-solving mindset and foster creative thinking among the participating 43 students.
- Detailed description of the event:** Dr. Newly Joseph introduced the fundamental concepts of problem-solving, emphasizing its significance in both academic and real-world scenarios. The resource person delved into various ideation techniques, providing students with tools to generate creative solutions to problems. Students actively participated in brainstorming sessions and group activities, applying problem-solving and ideation techniques to practical scenarios. Dr. Newly Joseph presented case studies that showcased successful problem-solving strategies, encouraging students to analyze real-world examples.
- Outcome of the event/Evaluation by Program Coordinator:** By focusing on both theoretical concepts and practical applications, the event successfully contributed to the development of problem-solving skills and creative thinking among the attendees.

12. Brochure of the event:

13. Feedback from students, faculty and

other stake holders: Students gained insights into the systematic approach to problem-solving. Various ideation techniques were explored to stimulate creativity. Practical applications of problem-solving strategies were demonstrated through case studies.

14. List of participants:

DIAMOND JUBILEE YEAR

- Title of the program** :My Story- Motivational Session by successful innovator Bhadra G.Nair -innovator of CHITPO,a fun way to learn Mathematics
- Name of the Coordinator/s** :Dr.NewlyJoseph
- Organizing Department/Cell** :IIC
- Date& Duration** :24thNovember 2023
- Number of participants** :Students:Internal-91
Faculty :Internal-5
- Funding source** :College fund
- Expenses** :500/-
- Resource Person/s** :Bhadra G Nair- innovator of CHITPO
- Objective of the Program** :My story-a motivational session by successful innovator Bhadra G.Nair – innovator of Chitpo. The session aimed to inspire participants by sharing Bhadra's journey as an innovator and the story behind the creation of CHITPO. CHITPO is an innovative and fun way to learn Mathematics. Polygons and its properties are one among the many topics in mathematics that is tricky and confusing at the same time. CHITPO is a game that aims to make the mathematical properties related to quadrilaterals and triangles easy to remember. The game is played in an 8*8 board with 32 pieces. It covers some of the important properties of square, rectangle, parallelogram, trapezium, rhombus, equilateral triangle, isosceles triangle and scalene triangle. The movements and rules are based on properties of these shapes.

10.Detailed description of the event:

Introduction to CHITPO: Bhadra began the session by introducing CHITPO and its significance in the realm of mathematics education. She highlighted the challenges students often face in understanding the properties of polygons and how CHITPO addresses these challenges through gamification.

The Story Behind CHITPO: Bhadra shared her personal journey and the inspiration behind the creation of CHITPO and the efforts he has put into evolve as a prototype and finally a product. She recounted her experiences as a student struggling with mathematical concepts and her determination to find innovative solutions to make learning more accessible and enjoyable for others.

Features and Benefits of CHITPO: Bhadra explained the unique features of CHITPO, including its interactive game play, thematic design, and emphasis on key mathematical

properties. She elaborated on how CHITPO helps students grasp complex concepts by engaging them in hands-on learning experiences.

Success Stories and Impact: Bhadra shared success stories and testimonials from educators and students who have benefitted from using CHITPO in their classrooms. She highlighted the positive impact of CHITPO in enhancing students' understanding and confidence in mathematics.

Interactive Demonstration: The session included an interactive demonstration of CHITPO, allowing participants to experience firsthand how the game works and its effectiveness in teaching mathematical concepts. Bhadra encouraged active participation and answered questions from the audience.

11. Outcome of the event/Evaluation by Program Coordinator:

The "MyStory" motivational session by Bhadra G.Nair provided valuable insights into her journey as an innovator and the creation of CHITPO. Through her inspiring story and interactive presentation, Bhadra demonstrated the power of creativity and perseverance in overcoming challenges and making a positive impact in education.

8. Chief Guests of the Event :

Shri Anwar Sadath, MLA, along with the chief guests of the day, Ms. Aparna Thomas and Mr. Jeeva.

9. Objective of the Program :

As part of the Diamond Jubilee celebrations & National Youth Day , the college instituted the Youth Icon Award for Women to recognize the change makers in the field of innovation & entrepreneurs of college- going women in Kerala. This initiative offers abroad platform for college girls who are leaders, pioneers, and change-makers to celebrate their excellence, resilience, and impactful leadership.

10.Detailed description of the event:

As part of the Diamond Jubilee celebrations, our college took a significant step towards recognizing and celebrating the exemplary achievements of college-going women in Kerala. The institution instituted the Youth Icon Award for Women, aimed at honoring change-makers in the fields of innovation and entrepreneurship among college girls. This initiative seeks to provide a platform for these young leaders to showcase their excellence, resilience, and impactful leadership.

Selection Process:

Thirteen talented applicants submitted their profiles and achievements for consideration. After a thorough evaluation, five exceptional candidates were shortlisted as finalists.

Award Ceremony: The award ceremony was a momentous occasion, marked by a spirit of celebration and empowerment. Dignitaries, faculty members, and students gathered to witness the crowning of the inaugural Youth Icon Award for Women. Ms.

Bency Benedict, representing Mount Carmel College of Teacher Education for Women, Kottayam, emerged as the deserving recipient of this prestigious award.

Ms. Bency Benedict's Achievement: Ms. Benedict's selection was a testament to her outstanding contributions to innovation and entrepreneurship. Her leadership, pioneering spirit, and commitment to making a difference have truly set her apart. Her achievements serve as an inspiration to young women across the region, demonstrating what is possible with determination and passion.

11. Outcome of the event/Evaluation by Program Coordinator: The inaugural Youth Icon Award for Women stands as a testament to our college's commitment to fostering leadership and empowering women. Through this initiative, we have celebrated the excellence and resilience of college-going women in Kerala who are driving change and making a positive impact in their respective fields. Ms. Bency Benedict's recognition as the first recipient of this award is a proud moment for all of us and reinforces our belief in the potential of young women to shape a better future. We look forward to continuing our efforts to support and uplift women leaders in our community.

The recipient of the award was honored with a cash prize of Rs.10,000/- and a memento. Shri Anwar Sadath, MLA, along with the chief guests of the day, Ms. Aparna Thomas and Mr. Jeeva, collectively bestowed their accolades upon the award winner.

DIAMOND JUBILEE YEAR

1. **Title of the program** : Workshop On Digital Banking-backbone of modern entrepreneurship
2. **Name of the Coordinator** : Ms. Shermi Jude Oliver
3. **Organizing Department/Cell** : Department of B.Voc A & T
4. **Date & Duration** : 1st March, 2024
5. **Number of participants** : 31
6. **Funding source** : Department
7. **Expenses** : 276/-
8. **Resource Person/s** : Mr. Sanjay
9. **Objective of the Program** : Awareness about the E-Banking services serves as a backbone for modern entrepreneurship by offering seamless, efficient, and secure financial services, ultimately enabling entrepreneurs to focus on innovation and business growth.
10. **Detailed description of the event** : Digital banking offers a wide range of benefits to customers includes online banking, mobile banking, and other electronic services that allow customers to conduct financial transactions without the need to visit a physical bank branch. Awareness was given on Importance of Digital Banking in Entrepreneurship
 1. Easy Access to Financial Services :Digital banking provides entrepreneurs with easy access to financial services such as loans, credit, and business accounts. Entrepreneurs can now apply for financing from their smartphones or computers, bypassing traditional in-person banking processes.
 2. Enhanced Cash Flow Management :Entrepreneurs can manage their business accounts, track income, expenses, and cash flow in real-time. Digital banking platforms offer detailed reports, analytics, and insights into financial performance, which is critical for business planning and sustainability.
 3. Reduced Operational Costs :With digital banking, there's less need for physical infrastructure, paper-based processes, and manual handling of financial transactions. This reduces costs for both banks and entrepreneurs, allowing businesses to invest more in their operations.
 4. Quick and Seamless Transactions :Digital banking enables faster payment processing, whether it's sending or receiving funds. Instantaneous transactions facilitate better relationships with clients and suppliers and improve cash flow efficiency for entrepreneurs.
 5. Financial Inclusion : Digital banking opens up financial services to underserved and remote areas, allowing aspiring entrepreneurs from diverse backgrounds to start businesses. This drives innovation and economic growth, particularly in developing regions.
 6. Better Security Features : Digital banking platforms often come equipped with advanced security features, including encryption, multi-factor authentication, and fraud detection systems. This enhances trust in financial transactions, which is vital for business dealings.

7. Scalability and Global Reach : Entrepreneurs using digital banking services can easily scale their operations across borders. Cross-border payments and multi-currency support allow businesses to expand globally without being constrained by local financial systems.

8. Integration with Business Tools :Many digital banks offer integrations with accounting software, invoicing systems, and payroll services. These integrations streamline business operations, allowing entrepreneurs to focus on growth rather than administrative tasks.

9. Customer-Centric Features :Digital banking offers enhanced customer service through mobile apps, chatbots, and 24/7 support. This level of service is critical for entrepreneurs who may need assistance outside of traditional banking hours.

11. Outcome of the event/Evaluation by Program Coordinator: Learn about e-banking services and how to open different accounts. Digital banking empowers entrepreneurs with accessible, efficient, and secure financial services, fostering innovation, growth, and scalability.

DIAMOND JUBILEE YEAR

1. **Title of the Program:** Workshop on Business Canvas Model: From Grads to Gamechangers—Equipping Students for Startup World
2. **Date:** 21st May 2024
3. **Organized by:** IIC & IEDC, St. Xavier's College for Women, Aluva
4. **Resource Person:** Onnesimos KK, Engineer, Innovator, CTO, and Founder of Agrowtein Labs Pvt Ltd
5. **Participants :** 10 external 38 internal Total 48
6. **Objectives of the Workshop:**

- To introduce students to the Business Canvas Model as a strategic tool to visualize and develop business ideas.
- To empower students with the entrepreneurial knowledge required to transition from academic settings to real-world startup environments.
- To provide insights into building successful startups by focusing on core business elements such as customer segmentation, value propositions, and revenue streams.
- To foster a problem-solving and innovative mindset by guiding students through the startup ideation process.
- To encourage participants to think critically about scaling their ideas into Minimum Viable Products (MVPs).

7. Detailed Description of the Workshop:

The workshop began with an introduction by Onnesimos KK, a seasoned engineer and innovator, known for his work as the CTO and Founder of Agrowtein Labs Pvt Ltd, a company pioneering sustainable and innovative agricultural solutions. His session revolved around practical insights into launching startups in today's competitive ecosystem.

Onnesimos introduced the Business Canvas Model (BCM), explaining its relevance for entrepreneurs. He broke down the nine building blocks of the BCM:

1. Customer Segments: Understanding diverse customer groups and targeting specific needs.
2. Value Proposition: Defining unique products/services that offer solutions to customers' problems.
3. Channels: Outlining the pathways to deliver the product or service to customers.
4. Customer Relationships: Strategies to establish and maintain a strong customer base.
5. Revenue Streams: Exploring methods to generate income from the product or service.
6. Key Resources: Highlighting essential assets such as technology, people, and finance.

7. Key Activities: Critical tasks necessary to deliver on the value proposition.
8. Key Partnerships: Strategic alliances that enable the business to grow.
9. Cost Structure: Understanding the costs involved in running the business.

Participants were divided into groups to create their own Business Canvas Models, focusing on the real-life application of startup ideas. The session was highly interactive, with Onnesimos KK moving among the groups, offering personalized guidance, practical advice, and sharing his own startup journey.

In addition to the BCM exercise, Onnesimos touched on the importance of innovation in sustainability and shared how his company, Agrowtein Labs, has integrated sustainable practices to solve real-world problems. He encouraged students to think beyond conventional business models and focus on scalability, sustainability, and creating a social impact through their ventures.

The workshop ended with a Q&A session where participants asked about scaling startups, securing funding, and protecting intellectual property in the early stages of business development.

8. Feedback from Participants

The feedback from the students was overwhelmingly positive. Key takeaways from the participant feedback include:

- Practical and Engaging Content: Students appreciated how the session was structured around real-world scenarios. They found Onnesimos KK's experience and stories from his entrepreneurial journey insightful and inspiring.
- Clarity on Business Fundamentals: Participants noted that the detailed breakdown of the Business Canvas Model helped them understand the intricacies of building a startup, from ideation to execution.
- Interactive Learning: The group exercises were a favorite among students, allowing them to practically apply the BCM and gain immediate feedback.
- Industry-Relevant Knowledge: Many students mentioned that learning from a resource person who has successfully founded a company helped them gain realistic insights into the startup ecosystem.

Some suggestions included extending the workshop duration to delve deeper into specific aspects of business, such as funding and marketing strategies.

9. Outcome of the Workshop

The workshop achieved its goals by providing students with both theoretical and practical knowledge on entrepreneurship:

- Understanding of the Business Canvas Model: Participants left with a solid understanding of how to construct and analyze business models using the BCM framework.
- Idea Development: Students were able to generate and refine their startup ideas, many of which they planned to pursue further under mentorship from IIC & IEDC.
- Boost in Entrepreneurial Confidence: The practical exercises, combined with insights from Onnesimos KK, instilled confidence in participants about navigating the complexities of entrepreneurship.
- Networking Opportunities: The session facilitated networking among students, faculty, and the resource person, creating potential opportunities for future collaborations.

Overall, the workshop proved to be an essential step in preparing students to make their mark in the startup world, particularly by applying the Business Canvas Model to transform ideas into sustainable businesses.

- 9. Objective of the Program** :The IIC (Institution's Innovation Council)

and IEDC (Innovation and Entrepreneurship Development Centre) of St. Xavier's College for Women, Aluva, organized a one-day community outreach program for ATL (Atal Tinkering Lab) schools. The event aimed to inspire young minds by introducing them to various scientific concepts, innovations, and entrepreneurial opportunities. The program featured a diverse range of activities designed to engage students in hands-on learning experiences.

- 10. Detailed description of the event:** One Day community outreach program in ATL schools organised by IIC & IEDC of St. Xavier's College for Women, Aluva. The program schedule includes Chimie Magic at Chemistry lab, Workshop on Foldoscope and museum of 2000 species of Ants at Zoology lab, Solar lamp making at Chemistry lab, Visit to Xaverian Incubation Centre and discussion on innovation and start ups. Introduction to the wonder world of Algae and herbarium at botany lab

Activities and Sessions

- **Chimie Magic at Chemistry Lab:** This session provided an exciting demonstration of chemical reactions, showcasing the magic of chemistry through colorful experiments and intriguing processes.
- **Workshop on Foldoscope:**
 - Students were introduced to the Foldoscope, an affordable and portable microscope made from paper. They learned how to assemble and use it to observe microscopic organisms and structures.
- **Museum of 2000 Species of Ants at Zoology Lab:**
 - The Zoology lab hosted a fascinating display of over 2000 species of ants. The students were educated on the diversity, behavior and ecological significance of ants.
- **Solar Lamp Making at Chemistry Lab:**
 - In this hands-on workshop, participants were guided through the process of assembling solar lamps. This activity aimed to raise awareness about sustainable

energy solutions.

- **Visit to Xaverian Incubation Centre and Discussion on Innovation and Startups:**
 - The students visited the Xaverian Incubation Centre, where they were introduced to the concepts of innovation and entrepreneurship. A discussion session followed, where students explored ideas and possibilities for startups.
- **Introduction to the Wonder World of Algae and Herbarium at Botany Lab:**
 - The Botany lab offered an insightful introduction to the world of algae and herbarium techniques. Students learned about the significance of algae in the ecosystem and the process of preserving plant specimens.

11. Outcome of the event/Evaluation by Program Coordinator:

The one-day community outreach program successfully engaged students from ATL schools in a series of educational and inspiring activities. The event not only provided valuable scientific knowledge but also fostered an interest in innovation and entrepreneurship. The coordinators, Dr. Newly Joseph and Dr. Bilu Job, along with the faculty members of St.Xavier's College, played a crucial role in making the event a success. The program left a lasting impact on the participants, encouraging them to explore further opportunities in science and innovation.

1. **Title of the program** : I&E Exposure Visit to Maker Village and FabLabs
2. **Name of the Coordinator/s** : Ms.Sonia, Dr.Sr.Stella, Dr.Revathy, Dr.Newly
3. **Organizing Department/Cell/Club** : IIC
4. **Level- Dept/ College/ Intercollegiate/State**
5. **/ National/ International** : Intercollegiate
5. **Date & Duration** : 22nd May 2024
6. **Number of participants** : Students : 20 faculty:20
7. **Resource Person/s** : Mr.Tom Thomas, COO, Kerala Start up Mission
8. **Objective of the Program** :
 - To provide participants with hands-on experience and exposure to cutting-edge innovation environments in the fields of electronic hardware and technical prototyping.
 - To foster collaboration between academic institutions through knowledge exchange and interaction.
 - To inspire students by showcasing real-world applications of engineering and technology in startup and innovation ecosystems.
9. **Detailed description of the event** :

The participants of the I&E Exposure visit had the unique opportunity to tour **Maker Village**, the largest electronic hardware incubator in India, and **FabLabs**, a world-class technical prototyping platform. These visits offered a first-hand look into the innovation-driven environment where startups and entrepreneurs design, prototype, and build next-generation electronic hardware products.

 - **Maker Village**: Participants explored the various state-of-the-art facilities available for prototyping, designing, and testing electronic hardware. They were introduced to ongoing projects and products under development, learning about the incubation process, access to resources, and mentorship that Maker Village provides to startups and innovators. The session offered insights into the journey of transforming an idea into a market-ready product.
 - **FabLabs**: At FabLabs, participants were exposed to the technical capabilities required to prototype their ideas into physical models. They received demonstrations of advanced machinery and tools used for rapid prototyping, including 3D printers, laser cutters, and CNC machines. The interactive nature of the visit allowed participants to gain a better understanding of the possibilities available for creative and technical problem-solving.

In addition to the technical exposure, the visit also included **interactions with representatives from various academic institutions** such as VTM NSS College, St. Joseph's College, Rajagiri School of Engineering & Technology, Sree Sankara College, and MES College of Engineering & Technology. These interactions fostered collaboration and allowed participants to share their own experiences in fostering innovation, entrepreneurship, and technology in their respective institutions.

13.Outcome of the program: This visit proved to be a key initiative in fostering innovation and entrepreneurship, providing participants with an invaluable opportunity to experience real-world applications of technology in startup ecosystems.

14. Feedback of participants: The feedback from participants was highly positive. Key observations from the feedback included:

- **Insightful and Inspiring:** Participants found the exposure to the Maker Village and FabLabs inspiring, gaining an understanding of how technological innovation and entrepreneurship are fostered in real-world environments.
- **Hands-on Experience:** Many participants appreciated the hands-on nature of the visit, which gave them an opportunity to engage directly with advanced tools and technology.
- **Valuable Networking:** The interactions with representatives from other colleges were seen as a valuable networking opportunity, allowing students and faculty to exchange ideas and build strong connections for future collaboration.

Some participants suggested extending the duration of the visits to allow for more in-depth engagement with the technology and startups at Maker Village.

1. **Title:** Igniting the Excellence through Innovation
2. **Date:** 12th February 2024
3. **Speaker:** Dr. Newly Joseph
4. **Participants:** 100 Teacher Trainees
5. **Objective:** The session aimed to foster a spirit of innovation among teacher trainees, highlighting the role of innovative thinking in the students of high school & higher secondary educational field. It emphasized equipping future educators with tools and techniques to drive excellence in teaching through creative approaches.
6. **Key Highlights:** Introduction to Innovation in Education: Dr. Newly Joseph introduced the concept of innovation in education, stressing the importance of adapting to modern teaching methods to meet the needs of the 21st-century learner. She provided practical examples of how innovation can

enhance classroom engagement and improve student outcomes.

Creativity in Teaching: The session highlighted the significance of creative problem-solving in education. Dr. Newly Joseph encouraged the teacher trainees to develop innovative lesson plans that cater to diverse learning styles and foster a culture of creativity in their future classrooms.

Innovation as a Tool for Excellence: A key takeaway was the link between innovation and excellence. Dr. Newly discussed how innovation can be the key driver of academic and professional success, not just for students but also for educators themselves.

Interactive Activities: The session was made engaging through interactive activities. Teacher trainees were encouraged to brainstorm innovative ideas for classroom management, student assessment, and the integration of technology in teaching. Group discussions and presentations allowed them to share their thoughts and gain feedback from peers.

Impact and Feedback: Participants expressed their appreciation for the session, particularly its practical applications. They felt more confident in exploring innovative teaching strategies and acknowledged the potential to bring about positive change in their classrooms. Dr. Newly Joseph's approachable teaching style and deep understanding of educational innovation were highly praised.

- Outcome:** The session successfully inspired teacher trainees at St. Joseph Training College for Women to embrace innovation in their teaching practices. Dr. Newly Joseph's insightful guidance left a lasting impact, motivating the participants to strive for excellence through creative and innovative approaches to education.

2. **Name of the Coordinator/s** : Ms.Sonia John Markose
3. **Organizing Department/Cell/Club** : IIC & IEDC
4. **Level- Dept/ College/ Intercollegiate/State / National/ International** : College Level
5. **Date & Duration** : 4th May2024 ,2 hrs
6. **Number of participants** : Students : 66
7. **Resource Person/s** : Dr. Sheena Xavier, Innovation Ambassador & Retired Professor, St. Xavier's College for Women, Aluva
8. **Objective of the Program** : Session is aimed to-
 - Inspire participants to embrace innovation as a key driver for entrepreneurial success.
 - Discuss the importance of creative problem-solving in addressing market needs and developing sustainable business models.
 - Guide participants on the steps to transform innovative ideas into successful ventures.
 - Highlight the significance of resilience, adaptability, and strategic planning in the entrepreneurial journey.
 - Provide real-world examples of how entrepreneurs can navigate challenges and capitalize on opportunities in today's competitive market.
9. **Detailed description of the event** :

Opening Remarks: The session began with an introduction to the importance of innovation in entrepreneurship. Dr. Xavier spoke about the evolving business landscape, where creativity and innovation are essential to staying competitive and relevant.

Innovation as a Catalyst for Success: Dr. Xavier underscored the significance of innovation in every stage of the entrepreneurial journey, from idea generation to scaling a business. She explained how successful entrepreneurs identify gaps in the market and use innovation to fill those gaps, creating products or services that offer real value.

Steps to Build a Successful Venture:

Idea Validation: Dr. Xavier provided a detailed guide on how to validate innovative ideas, stressing the importance of customer feedback and market research.

Business Model Development: She explained the key components of a robust business model, including value proposition, customer segments, and revenue streams.

Funding and Resources: The speaker discussed various ways to secure funding, including angel investors, venture capital, and government grants, as well as leveraging incubation centers and innovation hubs.

Scaling the Business: The session also covered strategies for scaling a business, highlighting the importance of team-building, partnerships, and adapting to market demands.

Real-Life Success Stories: Dr. Xavier shared several case studies of successful startups, including examples from different industries such as technology, healthcare, and social entrepreneurship. These stories demonstrated the practical application of the strategies discussed and served as a source of inspiration for attendees.

Overcoming Challenges: A key part of the session focused on the hurdles that entrepreneurs often face, including funding issues, market competition, and operational difficulties. Dr. Xavier emphasized the importance of perseverance, adaptability, and continuous learning.

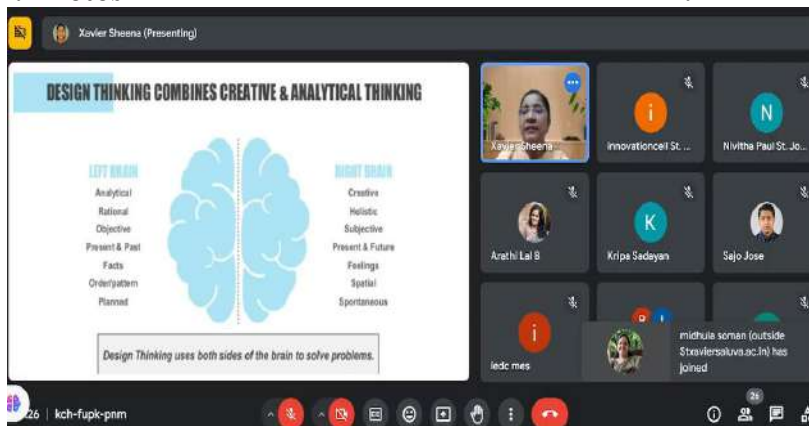

Interactive Q&A Session: The session concluded with an interactive Q&A, where participants had the opportunity to ask questions related to their own entrepreneurial ideas and challenges. Dr. Xavier provided personalized advice and suggestions to the participants, further enriching their understanding.

10. Brochure of the event :

The brochure features the logo of St. Xavier's College for Women (Autonomous) Aluva, which is NAAC A++ Grade with CGPA 3.68 and IIC 4 Star Level Ranking. It also mentions 'INNOVATION & ENTREPRENEURIAL DEVELOPMENT'. The event is organized by the Institution's Innovation Council (IIC) and is titled 'Innovate to Elevate: Journey Towards Entrepreneurial Success on 4th May 2024'. The resource person is Dr. Sheena Xavier, Innovation Ambassador & Retired Professor, St. Xavier's College for Women, Aluva. The coordinators are Prof. Dr. Milon Franz (Principal), Ms. Sonia J Markose (IIC Convenor), and Dr. Bilu Job (IEDC Co-ordinator). The event is managed by Rev. Sr. Chales C.T.C.

12. List of participants :

13. **Outcome of the program:** The event was a success, providing a valuable platform for students to showcase their talents. The participation was enthusiastic, and the projects presented demonstrated a high level of innovation and applicability. The coordinators and participants expressed satisfaction with the event, noting its impact on encouraging further research and development among students.

14. **Feedback of participants:** The majority of students expressed high satisfaction with the event, appreciating the opportunity to present their innovative ideas in a competitive environment.

Learning Experience: Many students highlighted that the competition enhanced their understanding of practical applications in chemistry and inspired them to think more creatively. Some students suggested more time for project development and additional mentorship sessions to refine their ideas before the competition.

D I A M O N D J U B I L E E Y E A R

1. **Title of the program:** My Startup Journey and the Legal Landscape
2. **Date:** 21st May 2024
3. **Organized by:** IIC & IEDC, St. Xavier's College for Women, Aluva
4. **Speaker:** Jyothis Joseph, Co-founder @ Ellow.io
5. **No:of Participants:** External 10 and internal -38 total 48
6. **Objectives of the Session**
 - ✓ To provide an insight into the personal startup journey of Jyothis Joseph, highlighting the challenges and triumphs in launching and scaling Ellow.io.
 - ✓ To educate students on the importance of understanding the legal framework when starting and growing a business.
 - ✓ To offer practical advice on navigating legal aspects such as intellectual property rights, contracts, compliance, and business registration.
 - ✓ To inspire young entrepreneurs to be well-prepared for the legal challenges they might face while building a startup.

7. Detailed Description of the Session

The session was led by Jyothis Joseph, Co-founder of Ellow.io, a platform that connects businesses with top-tier freelance talent. He began by sharing his entrepreneurial journey, from identifying a market gap to successfully creating a startup that solves a critical problem for businesses in sourcing freelance talent. His narrative was a blend of personal experiences, professional lessons, and practical advice on managing a startup.

Jyothis emphasized the importance of having a clear value proposition, understanding customer needs, and building a product that directly addresses those needs. His journey through the startup landscape provided students with a realistic perspective on the highs and lows of entrepreneurship.

The second half of the session focused on the legal aspects of starting and scaling a business. Jyothis shared key points, including:

Business Registration: Choosing the appropriate business structure (LLC, sole proprietorship, partnership) and registering the startup in compliance with local laws.

Contracts and Agreements: Ensuring that all partnerships, collaborations, and employee engagements are legally binding through clear and comprehensive contracts.

Intellectual Property (IP) Protection: Steps to safeguard the startup's unique product, brand, and ideas through trademarks, copyrights, and patents.

Compliance and Licensing: Staying compliant with industry regulations and obtaining necessary licenses to avoid legal complications.

Legal Risks and Solutions: Identifying potential legal risks in a startup's operations and preemptively addressing them.

Jyothis highlighted the critical role that legal frameworks play in the sustainability of a business, stressing that early-stage entrepreneurs must prioritize this aspect as they lay the foundation for their startup. He also discussed his personal experiences dealing with contracts, intellectual property, and compliance issues while building Ellow.io.

The session ended with a Q&A, where students raised concerns about handling legal formalities and Jyothis provided further clarification on topics such as funding agreements, non-disclosure agreements (NDAs), and investor relations.

8. Feedback from Participants

Participants gave enthusiastic feedback on the session, appreciating the combination of personal storytelling and practical legal insights. Key points from the feedback included:

Real-world Application: Students found the legal guidance particularly valuable, as it addressed real-life challenges that many startups face.

Engaging Narrative: Jyothis' journey resonated with students, inspiring them to think seriously about entrepreneurship and the importance of legal preparedness.

Legal Awareness: The session raised awareness about legal intricacies that most aspiring entrepreneurs tend to overlook, such as intellectual property rights and the importance of contracts.

Some students suggested organizing follow-up sessions focused specifically on intellectual property protection and navigating startup regulations.

9. Outcome of the Session

The session achieved its objectives, resulting in several key outcomes:

Increased Legal Awareness: Students gained a deeper understanding of the legal considerations required when starting and running a business.

Startup Inspiration: Jyothis' story motivated students to pursue their entrepreneurial ambitions with a clearer sense of direction and awareness of potential challenges.

Practical Insights: Students left with actionable advice on how to legally safeguard their business ideas and maintain compliance with industry regulations.

Networking Opportunities: The session helped foster connections between the students and Jyothis Joseph, providing an opportunity for mentorship and potential collaboration in the future. This session proved to be an invaluable resource for aspiring entrepreneurs, combining inspiration with practical knowledge on both startup journeys and the legal landscape essential for business success.

	1. Title of the program	Cultivating a Career in Microbiology Opportunities, Challenges, and Strategies for Bio entrepreneurship
2	Name of the Coordinator/s	RubyM Pillai
3	Name of student coordinators	Gopika Jayamohan, Angel Sandreya Correya
4	Organizing Department/Cell	Microbiology
5	Date & Duration	13/10/2023, 9.15-10am
6	Number of participants	56
7	Objective of the Program	By choosing a microbiology career aligned with their skills, interests, and values, students can cultivate a fulfilling and successful professional life. An awareness in career opportunity can lead to contributing to significant scientific discoveries and innovations with profound impacts on society and the environment
8	Detailed description of the event	The talk on cultivating a career in microbiology opportunities, challenges, and strategies for Bio entrepreneurship by Dr Anjana J C, Cofounder & Head of Savitr Bioscience began in Mother Theresa seminar hall on 13 th October at 9.15am. The different career opportunities in different fields of microbiology was highlighted such as Healthcare Sector, Pharmaceutical Companies, Agriculture, Academic Research and Teaching: Research institutions and universities employ microbiologists for academic research and teaching, Government Agencies Skill Requirement for microbiology students includes proficiency in laboratory techniques, including the use of microscopes and other lab equipment. sharp, analytical skills for identifying patterns and making deductions from experimental data, detail-oriented approach to ensure accuracy in research and findings, excellent communication skills for clear articulation of findings in reports and presentations, and effective collaboration with fellow scientists or other professionals. Problem-solving abilities for troubleshooting experimental designs or solving complex scientific problems. Computer skills,

particularly a working knowledge of bioinformatics and statistical analysis, owing to the increasing use of sophisticated technology in research.

9 Outcome of the event: Prospects of Bio-entrepreneurship Government schemes fostering the entrepreneurial spirit among microbiology students. The intersection of bioinformatics and computational biology with microbiology creates a dynamic landscape for entrepreneurship Application of data analytics and machine learning in understanding complex biological systems Promising career path for students in bio-entrepreneurship, contributing to healthcare, agriculture, and environmental sustainability through innovative biotechnological solutions was highlighted

1. **Title of the program** :Seminar on IPR Awareness
2. **Name of the Coordinator/s** :Dr. Revathy.S & Dr.Seema K
3. **Organizing Department/Cell** :Department of Zoology & IIC
4. **Date & Duration** :26-03-2024,10.30pmt03.30 pm
5. **Number of participants** :Students:Internal-49
6. **Funding source** :Nil
7. **Expenses** :Nil
8. **Resource Person/s** :Dr.AnuAnto
9. **Objective of the Program** :
 - To educate students and faculty about Intellectual Property Rights(IPR).
 - To raise awareness about the importance of protecting intellectual property.
 - To provide insights into the different types of intellectual property and their relevance in various fields.
 - To encourage innovation and entrepreneurship among students.
10. **Detailed description of the event:** The session commenced with a brief introduction of the speaker, Dr. Anu Anto, by the coordinators. The significance of Intellectual Property Rights (IPR) was highlighted, emphasizing its relevance in the current academic and professional landscape. Dr. Anu Anto conducted an in-depth session on various aspects of IPR, covering key topics such as patents, copyrights, trademarks, and trade secrets. The session aimed to provide a comprehensive understanding of the different types of intellectual property and their importance. Following the main presentation, an interactive Q&A session was held, where students and faculty had the opportunity to engage with Dr. Anu Anto, ask questions, and clarify their doubts related to IPR. The session concluded with a summary of the key points discussed. Dr. Anu Anto encouraged participants to consider IPR in their projects and research, highlighting the benefits of protecting their intellectual creations.
11. **Evaluation by Program Coordinator:** The IPR Awareness Session was highly successful and met its objectives effectively. The event witnessed active participation from students and faculty, indicating a strong interest in the topic. Dr. Anu Anto's presentation was well-received, with participants appreciating the clarity and relevance of the information provided. The interactive session further enhanced the learning experience, allowing for meaningful engagement and discussion. Overall, the session significantly increased awareness about IPR and its importance, and the positive

feedback from attendees underscores the success of the event. The coordinators noted a heightened interest in IPR-related topics among participants, reflecting the session's impact on encouraging innovation and intellectual property protection.

8. Objective of the Program :

To educate participants on the National Innovation and Startup Policy (NISP) and its implementation. To foster a spirit of innovation and collaboration among participating institutions.

9. Detailed description of the event :

Dr. Vandana Aravindan, an esteemed innovation ambassador and former NISP coordinator. Dr. Aravindan's expertise in NISP policy implementation is unparalleled, and her session provided valuable insights into the framework and benefits of the National Innovation and Startup Policy. In her presentation, Dr. Aravindan discussed the objectives and key components of NISP, highlighting its role in fostering a supportive environment for startups and innovation. She shared best practices for implementing NISP within institutions and offered practical advice on leveraging the policy to drive entrepreneurial success. Dr. Aravindan's depth of knowledge and real-world examples provided participants with a clear understanding of how to navigate the complexities of the innovation landscape and capitalize on policy support.

Mentoring Session on Upscaling and Modifying Innovative Projects for Yukthi Innovation Portal

2. Name of the Coordinator/s:

Dr. Stella K.A and Dr. Newly Joseph (IIC Members)

3. Organizing Department/Cell/Club:

Institution's Innovation Council (IIC)

4. Date & Duration:

15th March 2024, 5 hours

5. Number of participants:

40 students (IIIDC chem,V IPG,Commerce Meharin&team,Roniya and team)

6. Resource Person/s:

Dr. Stella K.A and Dr. Newly Joseph

7. Objective of the Program:

To guide students in refining and enhancing their innovative projects and assist them in preparing their projects for submission to the Yukthi innovation portal.

8. Detailed description of the event:

The mentoring session was designed to provide personalized guidance and support to 40 student innovators, focusing on upscaling their ongoing projects. Dr. Stella K.A and Dr. Newly Joseph shared strategies to modify and improve project proposals, ensuring they meet the criteria for successful submission to the Yukthi Innovation Portal. The session covered technical improvements, project viability analysis, and documentation requirements for submission. Throughout the session, students engaged in discussions, received feedback on their projects, and worked on refining their concepts with real-time guidance from the resource persons.

9. Outcome of the program:

Students gained a clearer understanding of how to enhance their projects for the innovation portal. Many projects were fine-tuned and made ready for submission, increasing the chances of their acceptance and support through the Yukthi platform.

Submitted projects in Yukthi Innovation portal

DIAMOND JUBILEE YEAR

1. Title of the Program: Certificate course in Entrepreneurial Skill Enhancement in Herbal soap making and analysis of therapeutic potential of the plant extract

2. Coordinator: Dr. Newly Joseph, Assistant Professor, Department of Chemistry
Course Overview

The Skill Enhancement Course in Herbal Soap Making and Analysis of Therapeutic Potential of Plant Extracts is designed to equip participants with both the practical skills of making natural, eco-friendly herbal soaps and the scientific knowledge to analyze the therapeutic properties of plant extracts. This unique blend of traditional craftsmanship and modern science offers a comprehensive understanding of the herbal soap-making process, from selecting ingredients to final product formulation.

Key Highlights

- Hands-on Training in Herbal Soap Making: Learn the step-by-step process of creating natural, chemical-free soaps using plant extracts and essential oils.
- Understanding Plant Therapeutics: Dive into the world of medicinal plants, learning to analyze their therapeutic properties, with a focus on benefits for skin health.
- Formulating Custom Soaps :Create customized herbal soap products targeting specific skin conditions like acne, eczema, and sensitive skin.
- Entrepreneurial Skills: Explore the business potential of herbal soap making with insights into branding, packaging, and market trends.

Why Join?

- **Gain Practical Skills:** Learn the complete process of herbal soap making, from sourcing ingredients to creating finished products.
- **Explore Science & Nature:** Understand the therapeutic properties of plant extracts and how they can benefit skin health.
- **Create Your Own Brand:** This course opens up opportunities for entrepreneurial ventures in the booming natural skincare market.
- **Certification:** Receive a certificate upon successful completion of the course.

Who Should Attend?

- Aspiring entrepreneurs looking to enter the herbal cosmetics industry.
- Individuals interested in natural skincare products.
- Students and professionals from fields such as biotechnology, chemistry, or natural sciences.
- Hobbyists and artisans passionate about eco-friendly personal care products.

Objective of the Course:

1. **Equip Participants with Practical Soap-Making Skills**
To provide hands-on training in the process of making natural, eco-friendly herbal soaps using plant-based ingredients and essential oils.
2. **Introduce Participants to the Therapeutic Properties of Plant Extracts**
To offer an understanding of the medicinal benefits of various plants and how their extracts can be used for skin health and personal care.
3. **Foster Entrepreneurial Mindset in Natural Product Creation**
To encourage participants to explore the business potential of herbal soap making, guiding them through product formulation, branding, and marketing.
4. **Promote Sustainable and Chemical-Free Skincare**
To advocate for the use of natural ingredients in personal care products, highlighting the environmental and health benefits of switching to herbal alternatives.
5. **Provide Scientific Knowledge on Phytochemistry**
To familiarize participants with the methods of extracting and analyzing the bioactive compounds present in medicinal plants and their role in skincare products.

Course Outcome	Expected Course Outcome	Cognitive Level
	<p>Ability to Create Herbal Soaps Participants will have the skills to independently produce herbal soaps, from selecting ingredients to finishing and packaging the product.</p> <p>Understanding of Plant-Based Therapeutics Participants will gain insight into the therapeutic potential of plant extracts, including the ability to select appropriate plants based on skin health benefits.</p> <p>Custom Product Formulation Participants will be capable of formulating customized soaps targeting specific skin conditions such as acne, dry skin, and inflammation, using appropriate plant extracts.</p> <p>Entrepreneurial Opportunities Graduates of the course will have a foundational understanding of starting and scaling up a small business in herbal personal care products, including product differentiation, branding, and market entry strategies.</p> <p>Increased Awareness of Eco-Friendly Products Participants will develop an appreciation for sustainable and eco-friendly personal care solutions, becoming advocates for</p>	<p>Understand</p> <p>Understand and Apply</p> <p>Understand and Apply</p> <p>Understand and Apply</p>

9. Overview

A successful mentoring session under the Project Consultancy initiative was conducted by Dr. Newly Joseph, aimed at fostering innovation in neighboring colleges. In collaboration with students from St. Paul's College, the initiative focused on nurturing creativity and providing expert guidance in product development. This collaboration culminated in the creation of three innovative herbal products: Herbal Soap, Herbal Tea Bag, and Herbal Cream, utilizing *Paninus amaryfollius* and employing docking studies to explore their therapeutic potential.

10. Key Objectives

Promote Innovation: Encourage innovative thinking and problem-solving among students.

Provide Expert Guidance: Offer specialized knowledge in product development and research methodologies.

Foster Entrepreneurship: Inspire students to translate their ideas into viable products with commercial potential.

Enhance Research Skills: Equip students with the skills needed for conducting scientific research and analysis, particularly in the field of therapeutics.

Innovative Products Developed

Herbal Soap

Description:

The Herbal Soap is formulated using extracts from *Paninus amaryfollius*, known for its antibacterial and moisturizing properties. The soap is designed to cater to sensitive skin, providing a natural alternative to commercial soaps laden with synthetic chemicals.

Impact:

Addresses the growing demand for natural and eco-friendly personal care products. It offers consumers a safe and effective option for daily hygiene without adverse skin reactions.

Development Process:

Research: Studied the antibacterial properties of Pananus amaryfollius.

Formulation: Created soap formulations incorporating herbal extracts.

Testing: Conducted skin compatibility and efficacy tests.

Prototyping: Developed prototypes for user trials and feedback.

Herbal Tea Bag**Description:**

The Herbal Tea Bag combines Pananus amaryfollius with other medicinal herbs to create a soothing and health-promoting beverage. The tea is marketed as a wellness product aimed at enhancing immunity and providing relaxation.

Impact:

Meets the rising consumer trend towards herbal and health-oriented beverages. It offers health benefits such as improved digestion and stress relief, appealing to health-conscious individuals.

Development Process:

Research: Identified synergistic herbs to complement Pananus amaryfollius.

Blending: Experimented with various herb combinations for optimal flavor and benefits.

Packaging: Designed eco-friendly and user-friendly tea bags.

Testing: Evaluated taste profiles and health benefits through focus groups.

Herbal Cream**Description:**

The Herbal Cream utilizes Pananus amaryfollius extract to create a nourishing skincare product aimed at moisturizing and rejuvenating the skin. The cream is enriched with vitamins and antioxidants to promote healthy skin.

Impact:

Provides a natural skincare solution that appeals to consumers seeking organic and chemical-free products. It helps in maintaining skin health and combating signs of aging.

Development Process:

Research: Investigated the moisturizing and anti-aging properties of Pananus amaryfollius.

Formulation: Developed cream formulations with optimal texture and efficacy.

Testing: Performed dermatological tests to ensure safety and effectiveness.

Prototyping: Created samples for user trials and iterative improvements based on feedback.

Mentorship Highlights

Guided Research and Development:

Dr. Newly Joseph provided comprehensive guidance on the scientific aspects of product development, including the extraction and utilization of *Pananus amaryfollius* and the application of docking studies to determine therapeutic potentials.

Interdisciplinary Approach:

Encouraged collaboration between students from different disciplines, fostering a holistic approach to product innovation that integrates scientific research with practical application.

Workshops:

Conducted hands-on workshops on formulation techniques, quality control, and the use of computational tools for docking studies, enhancing the students' technical skills.

Entrepreneurial Training:

Offered insights into the commercialization process, including market analysis, branding, and intellectual property rights, preparing students to take their products to market.

Continuous Feedback and Iteration:

Implemented a feedback loop where students presented their progress regularly, receiving constructive feedback to refine their products iteratively.

Outcome

The collaboration through Project Consultancy resulted in the successful development of three innovative herbal products:

Herbal Soap – A natural, antibacterial soap catering to sensitive skin.

Herbal Tea Bag – A health-promoting beverage enhancing immunity and relaxation.

Herbal Cream – A nourishing skincare product with moisturizing and anti-aging benefits.

These products are now poised for further refinement, potential commercialization, and implementation. The mentoring initiative provided students with invaluable experience in research, product development, and entrepreneurship, laying a strong foundation for their future endeavors in innovation.

Challenges Faced

Resource Constraints:

Limited access to specialized equipment for extraction and formulation required innovative solutions and efficient resource management.

Time Management:

Balancing academic responsibilities with project work posed challenges, necessitating effective time management strategies.

Technical Hurdles:

Overcoming initial setbacks in formulation stability and ensuring consistent quality across product batches required persistent effort and expert guidance.

Lessons Learned

Importance of Detailed Planning:

Comprehensive planning and setting clear milestones are crucial for the successful execution of complex projects.

Adaptability:

Being flexible and adapting to unforeseen challenges is essential for maintaining project momentum.

Collaboration and Communication:

Effective teamwork and clear communication channels significantly enhance the quality and efficiency of project outcomes.

Continuous Learning:

Embracing a mindset of continuous learning and seeking feedback fosters personal and professional growth.

Integration of Research and Practical Application:

Bridging the gap between theoretical research and practical application leads to the development of viable and impactful products.

The mentoring and consultancy provided by Dr. Newly Joseph were instrumental in supporting the innovation efforts at St. Paul's College. The development of three innovative herbal products—Herbal Soap, Herbal Tea Bag, and Herbal Cream—demonstrates the effectiveness of cross-institutional collaboration and the potential of nurturing creativity and entrepreneurial thinking among students. This initiative not only enhanced the students' skills in research and product development but also contributed to fostering a culture of innovation in neighboring colleges. Moving forward, the successful outcomes of this project lay the groundwork for future collaborations and continued innovation in the region.

ST.XAVIER'S COLLEGE FOR WOMEN, ALUVA

The first college in India to be re accredited by NAAC in the Fifth Cycle &
The first college to score A++ in the Fifth Cycle ISO 9001:2015 Certified

DIAMOND JUBILEE YEAR

Mentoring Session: Intellectual Property Rights (IPR) for management of start-ups

Date: 30th May

Resource Person: Dr. Mridula Anup

Participants: 100 Students

Venue: Online

Overview

Dr. Mridula Anup conducted a mentoring session on Intellectual Property Rights (IPR) on the 30th of May. The session was designed to introduce and educate students on the significance of intellectual property and its various facets, including patents, copyrights, trademarks, and the protection of creative and innovative ideas.

Key Objectives

- To raise awareness of the importance of IPR in academic and industrial research.
- To familiarize students with the process of patent filing, copyright registration, and trademark protection.
- To highlight the value of protecting intellectual property in fostering innovation and entrepreneurship.

Session Highlights

1. Introduction to IPR

- Dr. Mridula Anup began the session by explaining the core concepts of Intellectual Property Rights. She discussed how ideas, inventions, and creative works can be legally protected to ensure their rightful ownership.

2. Types of Intellectual Property

- **Patents:** Dr. Anup covered the process of obtaining patents for inventions, emphasizing the importance of novelty, non-obviousness, and industrial applicability.
- **Trademarks:** She explained how trademarks safeguard brand names, logos, and other identifiers, highlighting the role of trademarks in business and marketing.
- **Copyrights:** The session touched on copyright protection for literary, artistic, and musical works, stressing the legal implications of copyright infringement.
- **Industrial Designs & Trade Secrets:** Brief insights were given on the protection of unique designs and business secrets that provide a competitive edge.

3. IPR in the Context of Startups and Research

- The importance of IPR in the startup ecosystem was discussed, emphasizing how startups can leverage intellectual property to secure investments, establish market dominance, and protect innovative solutions.
- Dr. Anup also discussed how researchers and academics can protect their findings through patents and other IPR mechanisms.

4. Steps for Filing a Patent

- Detailed guidance was provided on the procedural steps for filing a patent in India, including:
 - Preliminary research and identification of the patentable invention.
 - Drafting and submission of the patent application.
 - Examination and response to objections.
 - Grant of the patent and post-grant considerations.

5. Case Studies

- Real-world examples of successful patent holders and companies that have effectively used IPR to boost their market presence were discussed. This included notable inventions in the tech industry and creative works in media and entertainment.

6. Q&A Session

- Students engaged actively during the Q&A session, seeking clarification on aspects like patent scope, international protection of intellectual property, and the role of licensing in IPR commercialization.

Outcome

The session was highly impactful, with students gaining a solid foundation in intellectual property rights and their importance in various domains. The knowledge imparted by Dr. Mridula Anup encouraged students to think critically about protecting their innovations and exploring IP as a potential career path. Many students expressed interest in pursuing further studies and training in intellectual property law.

Feedback

The mentoring session on IPR by Dr. Mridula Anup was a success, providing 100 students with valuable insights into the significance of intellectual property in protecting innovation and fostering entrepreneurial growth. It served as an important step in raising awareness and preparing the next generation of students to navigate the complexities of intellectual property rights in their academic and professional careers.
