3. **Organizing Department/Cell** : Bhoomithra Sena Club & College Union
4. **Date & Duration** : June 5 & 6, 2023
5. **Number of participants** : **Students: External- 0 Internal- 20**
Faculty: External- 0 Internal- 4
6. **Funding source** : Rs. 1000/- collection from students
Rs. 2000/- Bhoomithra Sena Fund
7. **Expenses** : Rs. 3000/-
8. **Resource Person/s** : Manoj Kumar IB, Naturalist
9. **Objective of the Program** :To celebrate and raise awareness about environmental conservation. The theme of WED 2023 is Beat Plastic Pollution

10. Detailed description of the event :

The College Union and Bhoomithra Sena club of the college came together to commemorate the day and promote environmental sustainability. To symbolize their commitment to the environment, students were encouraged to wear green-colored dresses on 5th June 2023. Students eagerly participated by bringing different types of plants, such as saplings, potted plants or seeds. The main highlight of the event was the planting activity. Students accompanied by faculty in charges of Bhoomithra sena club and college union gathered at Cherai under the leadership of Manoj Kumar IB, the man behind 'fruitful future' concept. Ms. Nikitha, the college union chairperson welcomed the gathering. Before the planting event, Shri. Manoj, briefed the students about planting techniques and the importance of making green cover in the living spaces and their impact on local ecosystems. He told students that his objective is to create a fruit forest, the first step was to mulch the ground and to place seeds of all plants in this mulched ground and it naturally grew into a forest with little care. After the planting event at an open ground in Cherai, students also visited the 1.5-acre plot

around his house at Ayyampilly to see the plot come to life with fruit-bearing trees, green vegetables and medicinal plants. Students could experience peace and tranquillity which cannot be expressed in words.

11. Outcome of the event/Evaluation by Program Coordinator

World Environment Day is not just a one-day event. It serves as a catalyst for ongoing environmental initiatives. Wearing green coloured dresses created a visual unity and reinforces the theme of the day. By bringing plants and planting plants, participants are motivated to continue their efforts beyond this celebration

AFFILIATED TO MAHATMA GANDHI UNIVERSITY, KOTTAYAM, KERALA

- Title of the program** : **Plastic collection for recycling** at Metro station along with Plan@earth
- Name of the Coordinator/s** : Dr. Aneymol V.S. Dr. Revathy S
- Organizing Department/Cell** : Bhoomitra Sena club
- Date & Duration** : 5th to 15th June 2023.
- Number of participants** :10
- Funding source** : Bhoomitra Sena club
- Expenses** : 760/-
- Resource Person/s** : Nil
- Objective of the Program** :The goal of recycling plastic is to reduce high rates of plastic pollution while putting less pressure on virgin materials to produce brand new plastic products. This approach helps to conserve resources and diverts plastics from landfills or unintended destinations such as oceans.
- Detailed description of the event** : In keeping with the theme of this year's World Environment Day #BeatPlasticPollution, Kochi Metro in partnership with the NGO PlanatEarth is offering a solution to the residents of Kochi to get their plastic discards recycled. Starting on June 5th 2023 till June 15th 2023, 5 stations of KMRL will have kiosks manned by volunteers of PlanatEarth. These kiosks will serve as Resource Recovery Centers where residents can con and drop off their plastic discards and other dry waste. Resource Recovery Centers will be open from 08:00 am to 06:00 pm at Aluva, Kalamassery, JLN Stadium, MG Road and Vyttila. This will be removed by PlanatEarth by evening and taken to their sorting hub where everything will be sorted, graded and sent for recycling. The list of items that will be accepted as well as the list of items that will not be accepted is given below.

No	Items that Can be Handed Over (A)	Items to be avoided please (B)
1	Empty PET Bottles	Diapers
2	Plastic carry bags	Sanitary Napkins
3	Packaging of masala, grains, detergent	Human / animal hair/fur, nails
4	Packaging of bakery items like mixture	Construction waste
5	Empty Medicine Strips	E-waste
6	Containers of powder, liquid wash	Glass, bulbs and tube lights
7	Used toothbrushes, pens, old CDs	Wooden furniture or other items
8	Wrappers of online shopping, cling film	Garden waste
9	Bubble wrap, wrappers of sweet	Old clothes
10	Toothpaste tubes, tins of cosmetic	Food waste
11	Broken toys	Stuffed Toys
12	Empty Jam/pickle containers,	Old bags and shoes

11. Outcome of the event: Recycling helps to protect the environment. As this service is free, we expect the residents of Kochi to participate in a responsible manner in this drive to get plastic recycled, hopes Liyas Kareem, CEO of PlanatEarth.

5. **Number of participants** : 12
6. **Funding source** : Bhoomitra Sena club
7. **Expenses** : 750
8. **Resource Person/s** : Nil
9. **Objective of the Program** : Haritha mithram smart garbage monitoring system
10. **Detailed description of the event** : Haritha Keralam Mission, along with the Suchitwa Mission, last year launched a smart garbage monitoring system named Haritha Mithram Smart Garbage Monitoring System App. The App helps to streamline the activities of Haritha Karma Sena and its waste management interventions through time-to-time monitoring of various functional aspects covering the volume of generation from each waste source, its collection, transportation, and various other enormous processes that follow. The App enables the public to directly participate in the process through a special module incorporated in the App and thereby creates a platform for the Local Self Government Institutions (LSGI) to identify the area of improvisation in waste management allied services.
11. **Outcome of the event** : Digitalization in waste management is the need of the hour, as it will help keep a tab on the status of biodegradable and non-biodegradable waste generated in the state especially when poor documentation and lack of accurate data create trouble for effective planning. A clear-cut database will

be available regarding waste generation in the state and modes of its processing after this App gets fully operational.

Re-accredited by NAAC with A++ Grade, CGPA 3.68

ISO 9001:2015 Certified

AFFILIATED TO MAHATMA GANDHI UNIVERSITY, KOTTAYAM, KERALA

1. **Title of the program** : Seminar was conducted on the topic
Jalam Jeeva Suraksha
2. **Name of the Coordinator/s** : Dr. Aneymol V.S. Dr. Revathy S
3. **Organizing Department/Cell** : **Bhoomitra Sena club**, Kerala Sastra Sahitya Parishad District Environment Committee and the Parishad Aluva Region, Center for Science Society, CUSAT
4. **Date & Duration** : 07th December 2024, One day
5. **Number of participants** : 104
6. **Funding source** : Sastra Sahitya Parishad Aluva
7. **Expenses** : Nil
8. **Resource Person/s** :
 - Water testing - Dr. P. Shaiju (Director Center for Science in Society Kusat.)
 - How to popularize water literacy - **Bibin Thambi, CSES, Kochi**
 - Water borne diseases - **B.V. Murali, Kerala Sastra Sahitya Parishad**
 - Western Ghats and Life- Water - **Dr. Martin G, CUSAT, Post Doc fellow**
 - Drinking Water Testing Practical Training - **Dr. G.P. Bindumol (Executive Chemist, Ground Water Department)**
9. **Objective of the Program** : To make people aware about the themes adopted and make students as water ambassadors.
10. **Detailed description of the event** : In the 'Water Life Safety' seminar, the students were very excited when they understood the various features and importance of

water. Calcium, Iron, Nitrate, pH value, TDS (Total Dissolved Solid) and presence of bacteria in the water. Starting with many basic information related to water, it was understood how much water is a life-saving resource. And the water test was also done and confirmed.

The district level seminar **was held under the joint auspices** of the Kerala Sastra Sahitya Parishad **District Environment Committee and the Parishad Aluva Region, Center for Science Society, CUSAT, Bhoomithra sena club, St. Xavier's College for Women, Aluva** turned out to be a delightful learning experience for the children. The seminar was inaugurated by Aluva Municipality Chairman M.O. John. St. Xavier's College Principal Prof. Milon Franz, Bhoomithrasena Coordinator Dr. and Aneymol V.S. MK Rajendran, chairman of the District Environment Committee also was present.

Workshop sessions:

Water testing - Dr. P. Shaiju (Director Center for Science in Society Kusat.),

Venue: Microbiology lab

How to popularize water literacy - Bibin Thambi, CSES, Kochi

Venue: Mother Theresa Seminar hall

Water borne diseases - B.V. Murali, Kerala Sastra Sahitya Parishad

Venue: Microbiology classroom

Western Ghats and Life- Water - Dr. Martin G, CUSAT, Post Doc fellow

Venue: Mother Theresa Seminar hall

Drinking Water Testing Practical Training - Dr. G.P. Bindumol (Executive Chemist Ground Water Department)

Venue: Biochemistry lab

Parishad District President Dr. N. Shaji, Secretary T.P. Givarghese, SS Madhu, TK Joshi, M Suresh, Sasikala and VK Rajeevan led the activities. As part of further activities, the college conducts water testing and water literacy classes at homes under the auspices of the unit.

ജില്ലാ സെമിനാർ ജലം; ജീവസുരക്ഷ

The World Wetland Day observance programme commenced at 11.00 am in the Mother Teresa Seminar Hall. Dr. Sreedevi N Kutty, Assistant Professor, Department of Zoology, NSS College, Nenmara, Palakkad was the chief guest. The programme was presided over by manager Rev. Sr. Charles CTC. The Head of the Department, Dr. Annie Feby welcomed the gathering. The manager released the newsletter 'Avasavyuham' compiled by students of III BSc Zoology Model II. **Later a short video on the life of activist Sri. Murukeshan, 'The Mangrove Man' made by Ms. Nayan Julia Saji was screened.**

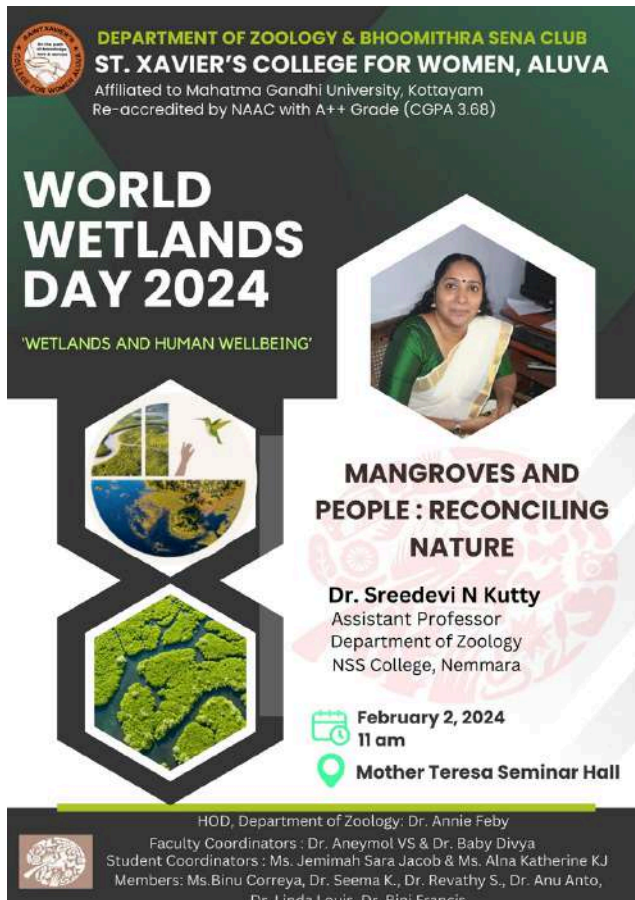

- Received the award of Young Reporters of the Environment contest 2023-24 in the video category college level - Ernakulam district

The chief guest delivered the keynote address on 'Mangroves and People: Reconciling Nature'. She gave an overview of the significance of mangrove ecosystems and how such ecosystems are protected and restored. The programme ended with a vote of thanks by Ms. Jemimah Sara Jacob.

11. Outcome of the event :

Helped raising awareness on the vital role of wetlands for people and planet in the student community. Students with characteristics of wetlands in real-time by visiting a nearby wetland

12. Brochure of the event :
